

Mira Vale

Independent Product & UX Designer

Lisbon, Portugal · hello@miravale.studio · miravale.studio

Summary

Twelve years of product design across fintech, wellness, and consumer software. Led design at Linear, Monzo, and IDEO before going independent in 2022. I work directly with founders and design leads, embedded for 8–14 weeks, shipping calm, considered software.

Experience

Independent Practice — *Mira Vale Studio*

2022 — Present

Three to four projects per year with teams that take craft seriously. Recent work includes Fjord Bank (fintech), Solace (wellness), and Atlas (travel).

Principal Designer — *Linear*

2019 — 2022

Led product design for core collaboration features. Shaped the design system and interaction patterns used by hundreds of thousands of teams.

Senior Product Designer — *Monzo*

2016 — 2019

Designed mobile banking experiences used by millions. Focused on payments, savings, and the design system that powered them.

Designer — *IDEO London*

2013 — 2016

Worked across service, interaction, and communication design for clients in finance, healthcare, and retail.

Selected Clients

Fjord · Solace · Atlas · Linear · Arc · Monzo · On Deck · Stripe Press · Notion

Services

- End-to-end product design — discovery, IA, interaction, visual
- Design systems — token-first systems that scale
- Workshops — two-day intensives on product principles and IA
